

# **Smart Attendance System**

CA-4 Presentation

# TEAM MEMBERS

"Working Towards a Common Vision"

**Samten  
Wangmo**  
Team Leader

**Sonam Dendup**  
Lead  
Programmer

**Nar Bdr Kharka**  
Database  
Designer

**Phuntsho Dorji**  
UI Designer

# OUTLINE:

1. Introduction
2. System Requirements
3. Software Development Process
4. Database Schema
5. Web Application Demonstration

# Introduction

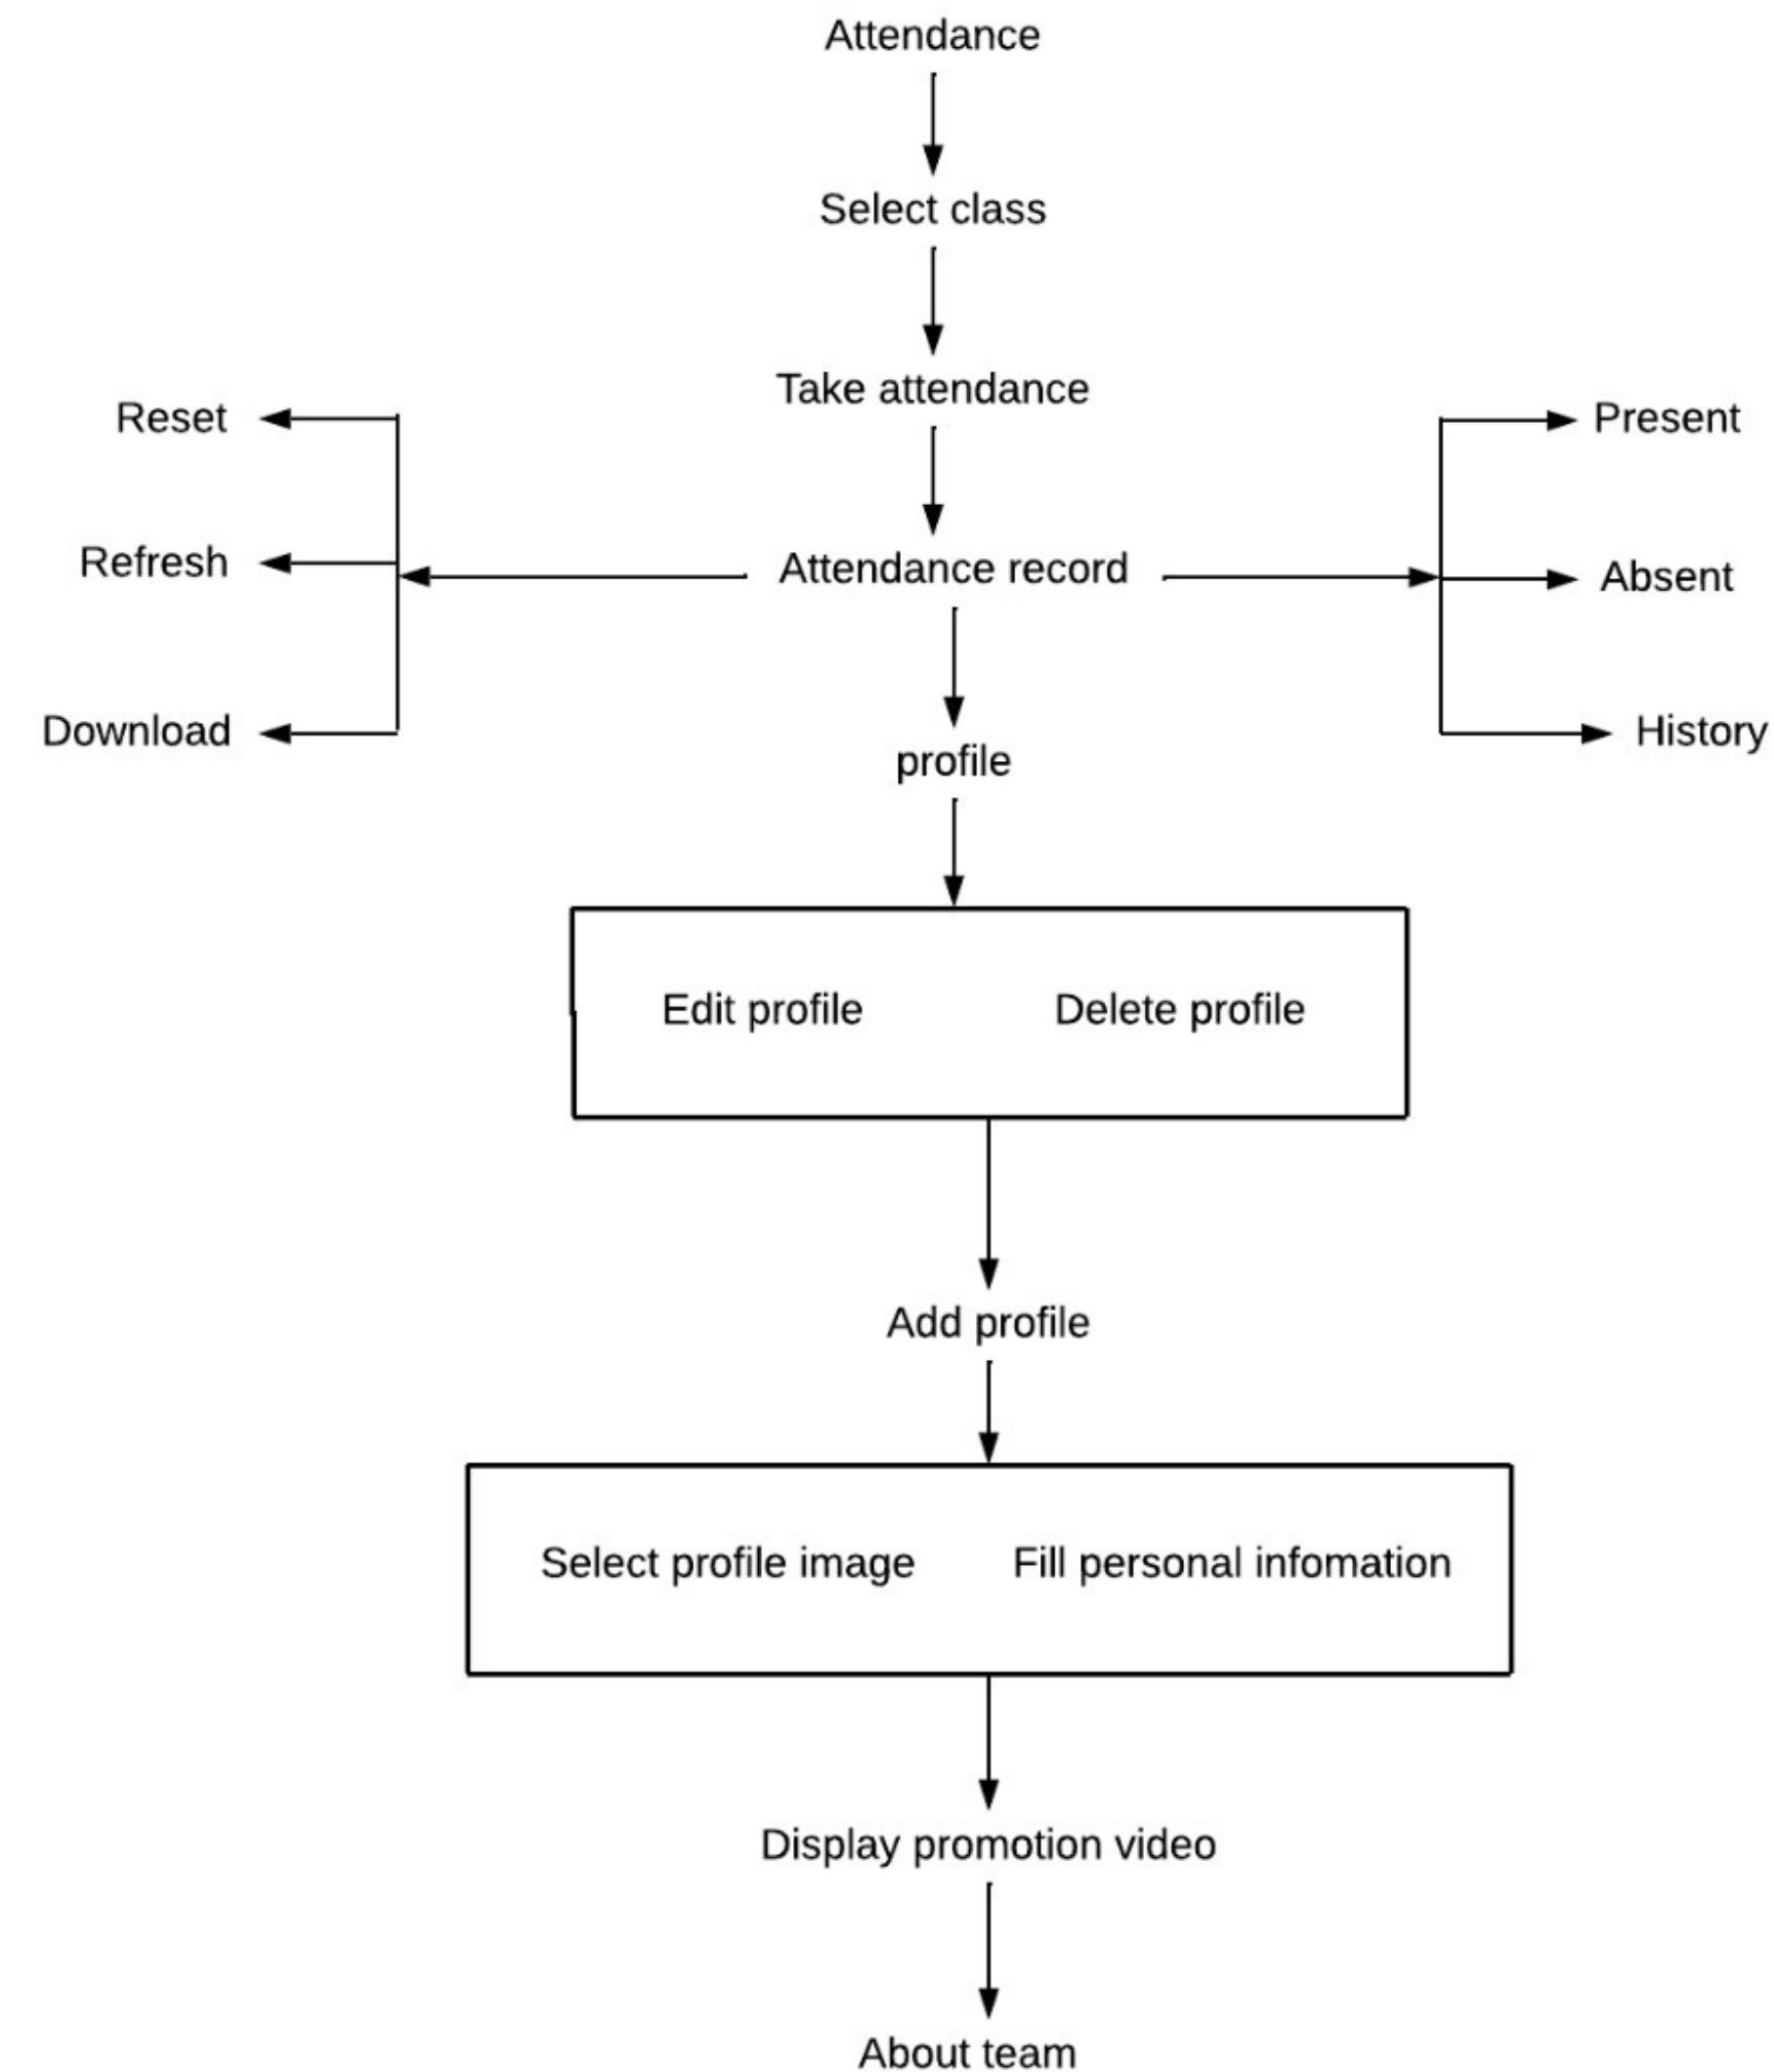

**Aim:**

To provide a systematic  
attendance marking through  
facial recognition

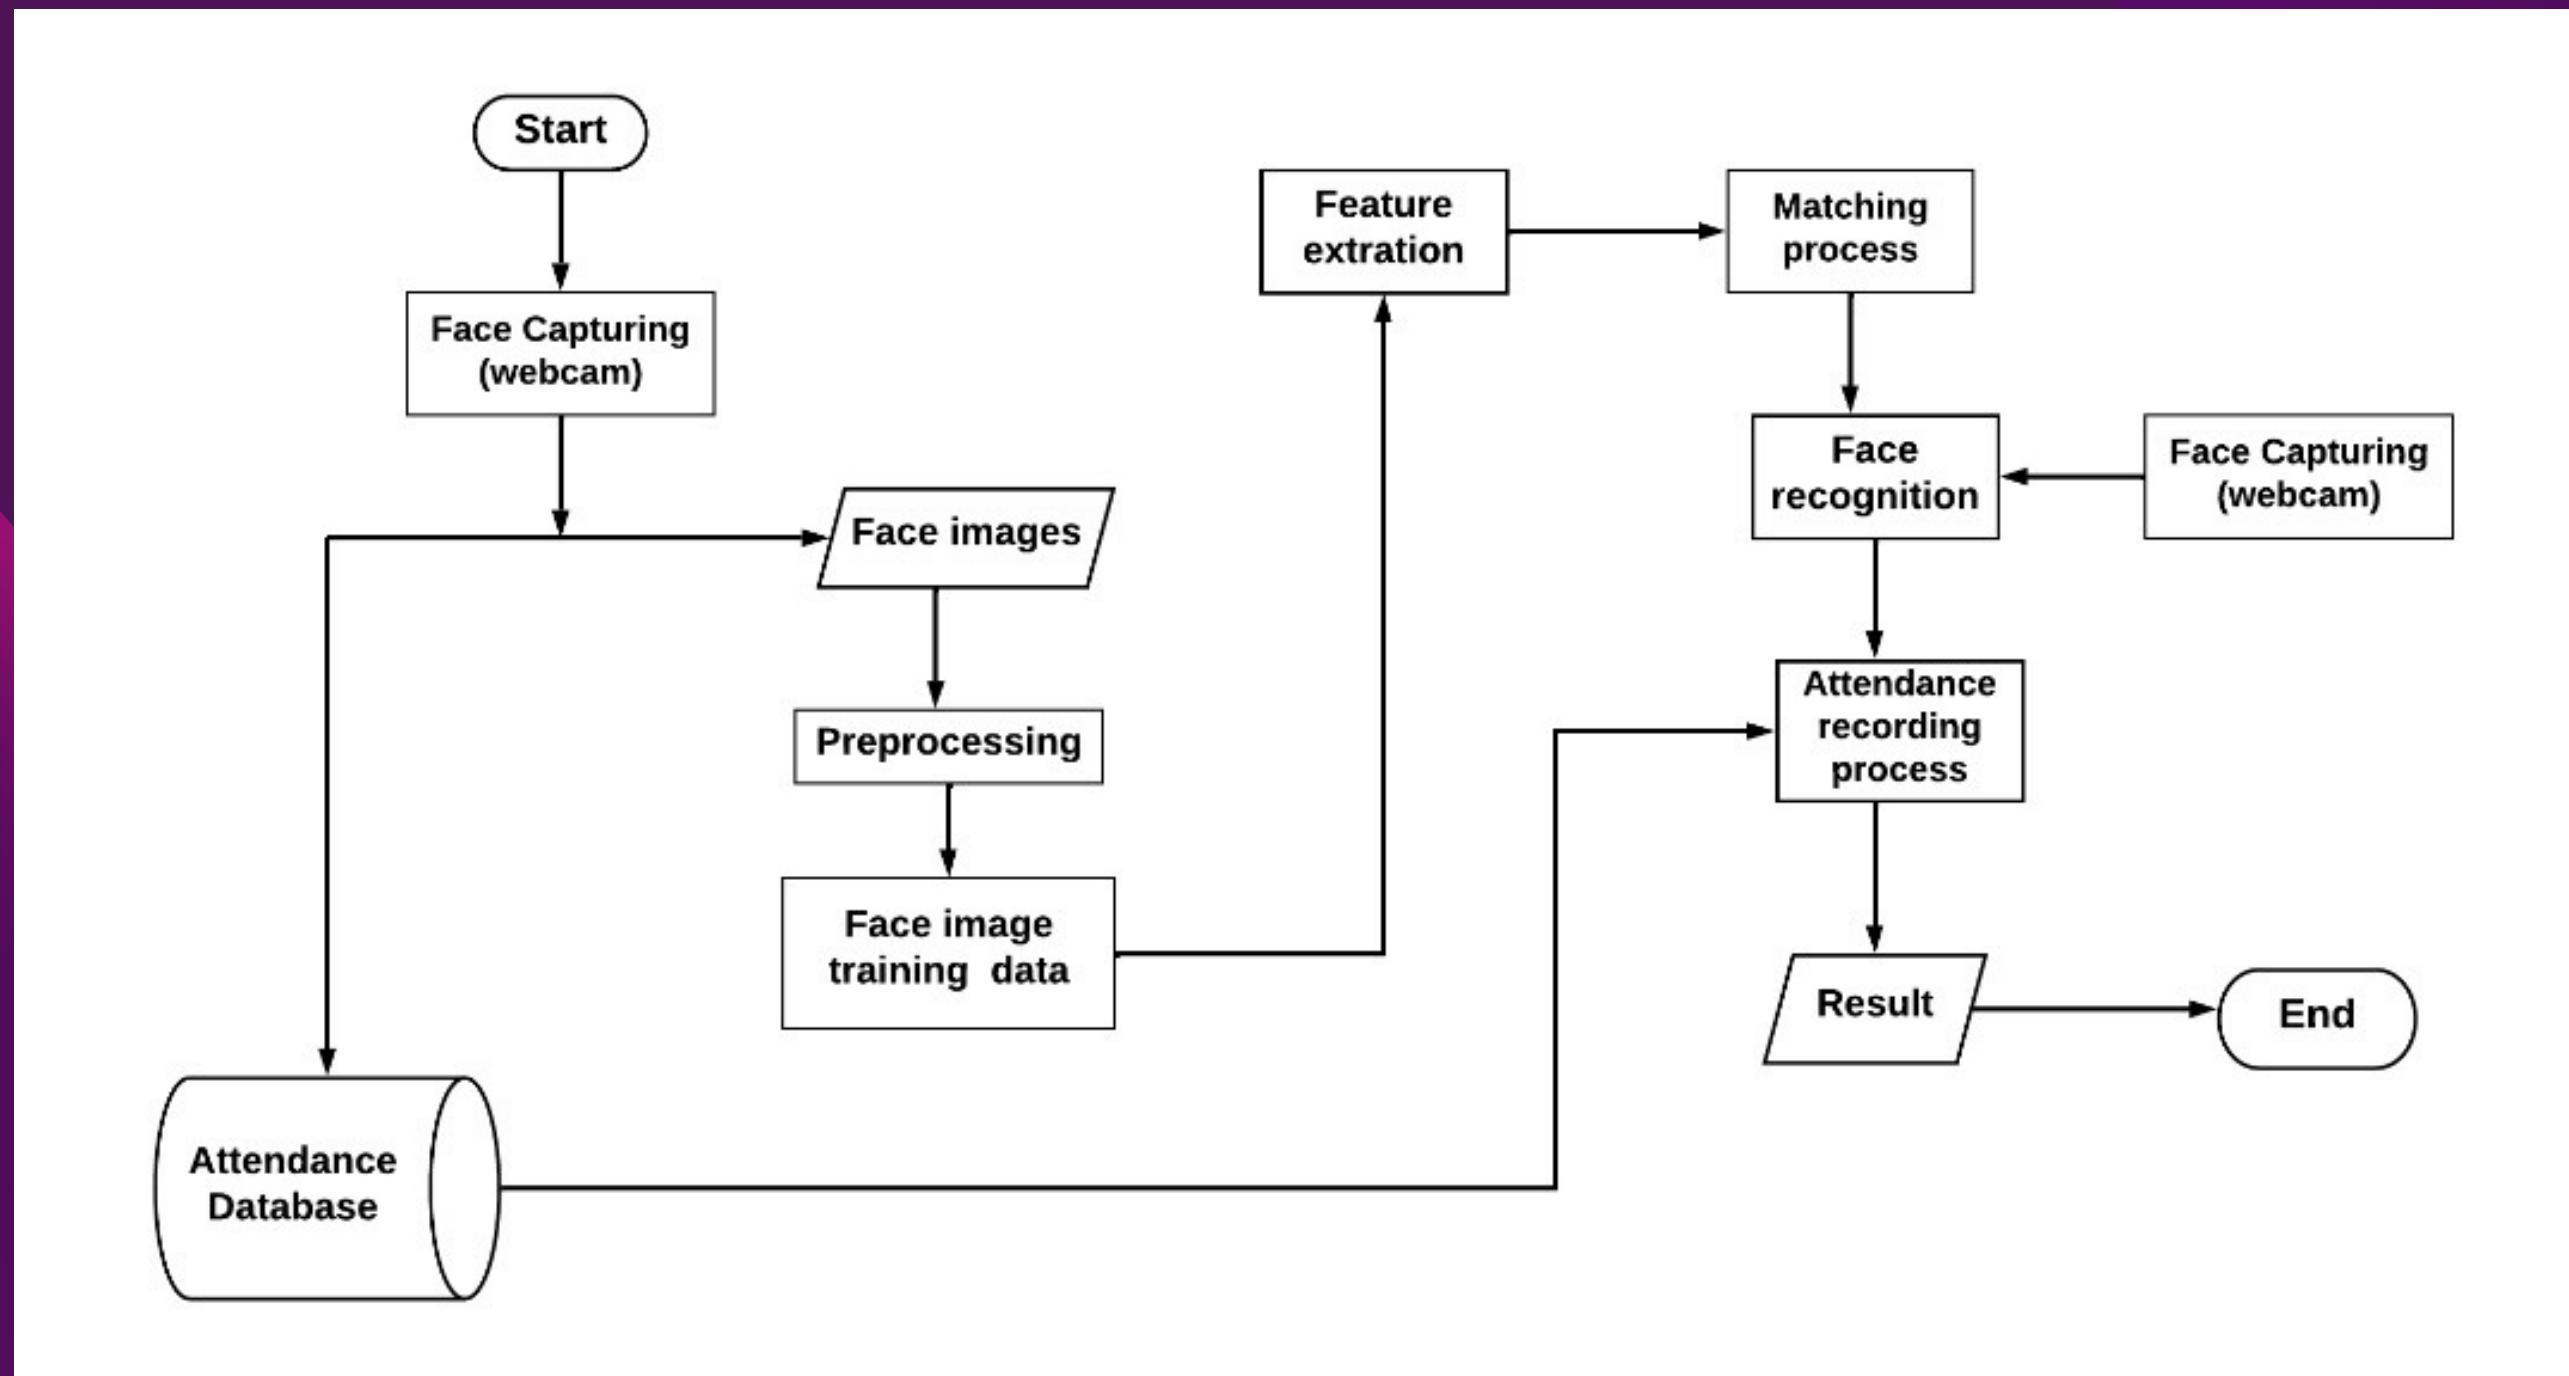

# Objectives:

1. Maintain the accuracy and security of data
2. Eliminate the paperwork
3. Reduce the total time needed to do attendance recording

# Software Functional -----> Requirements

# Software Development Process

# Demonstration of Smart Attendance System
